Dear Mr. McClure:

Thank you for your letter regarding Siobhan Fiona Cooksley's application under the *Recall Act*, Statues of Alberta, 2021 R-5.7. Accordingly, I am submitting my statement in response to the applicant's statement following the required guidelines:

In my opinion, this recall is unwarranted because I believe representing Calgary-North means listening and acting, something I've done since 2019. I've met thousands of residents through door-knocking, office and community association meetings/events, visiting seniors' homes and have brought their priorities forward. That work has resulted in three public schools for Calgary-North constituents (high/middle/elementary schools) and other significant community funding. I supported Bill 2 to end a strike that left 750,000 students out of classrooms for weeks, a difficult but necessary step to protect children's education and stability. This recall arises from policy disagreements, not my performance as an MLA.

Regards,
